2012 CULBRETH CUP

It is with great pleasure that I invite you to the second annual Culbreth Cup to benefit United Cerebral Palsy of Georgia.

Over 40 years ago, my grandparents, Roy and Floy Culbreth (AKA May-May and Day-Day), founded what has become one of the largest non-profit organizations in the state of Georgia - United Cerebral Palsy of Georgia.

I encourage you to help me show appreciation for their lives and their ability to give back to others by joining us for this event. Since the Culbreth Cup will be in a scramble format, it's sure to be fun for all participants regardless of their golfing ability.

The 2011 Culbreth Cup was a great success and we want to make this year even better. Come join us in showing the great people at United Cerebral Palsy of Georgia how meaningful and important their work is!

UCP of Georgia spends nearly 89 cents of every dollar it receives directly on community services, making it one of the most cost efficient charities in the nation. I can think of no better way to honor the memory of my grandparents than continuing to support such a great cause.

I appreciate your support of this event and cause.

Bryan Jones
Culbreth Cup Chairperson
